1. What did you like about this workshop?

3 antwoorden

Introduction too the topic

Good team work, detailing about everything and easy to understand

I liked the ability to have a say and take part

2. How can we make this workshop even better?

3 antwoorden

Provide an example or demo

Just need to figure out time management

Personally I missed the first session, maby the time management was not realistic.

3. What other suggestions do you have?

3 antwoorden

Use better collaborative tools to make it effective

Happy to join

I think this was a nice attempt and defensivly worth fine tuning and try to repeat it later.
Hats off for the team who organized this very valuable work.
