# SDGs

# Fablabs

## **Sustainable Development Goals**

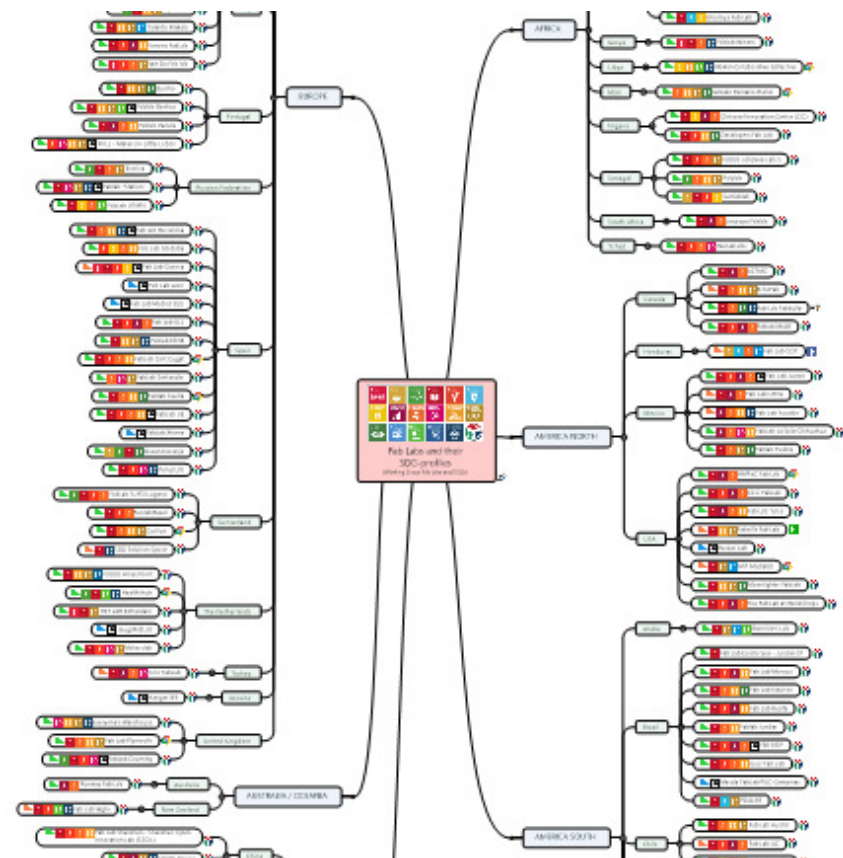

- Worldwide human agenda
- (almost) all aspects of life
- At all levels
- Many programs, projects and activities
- Unlocks new resources

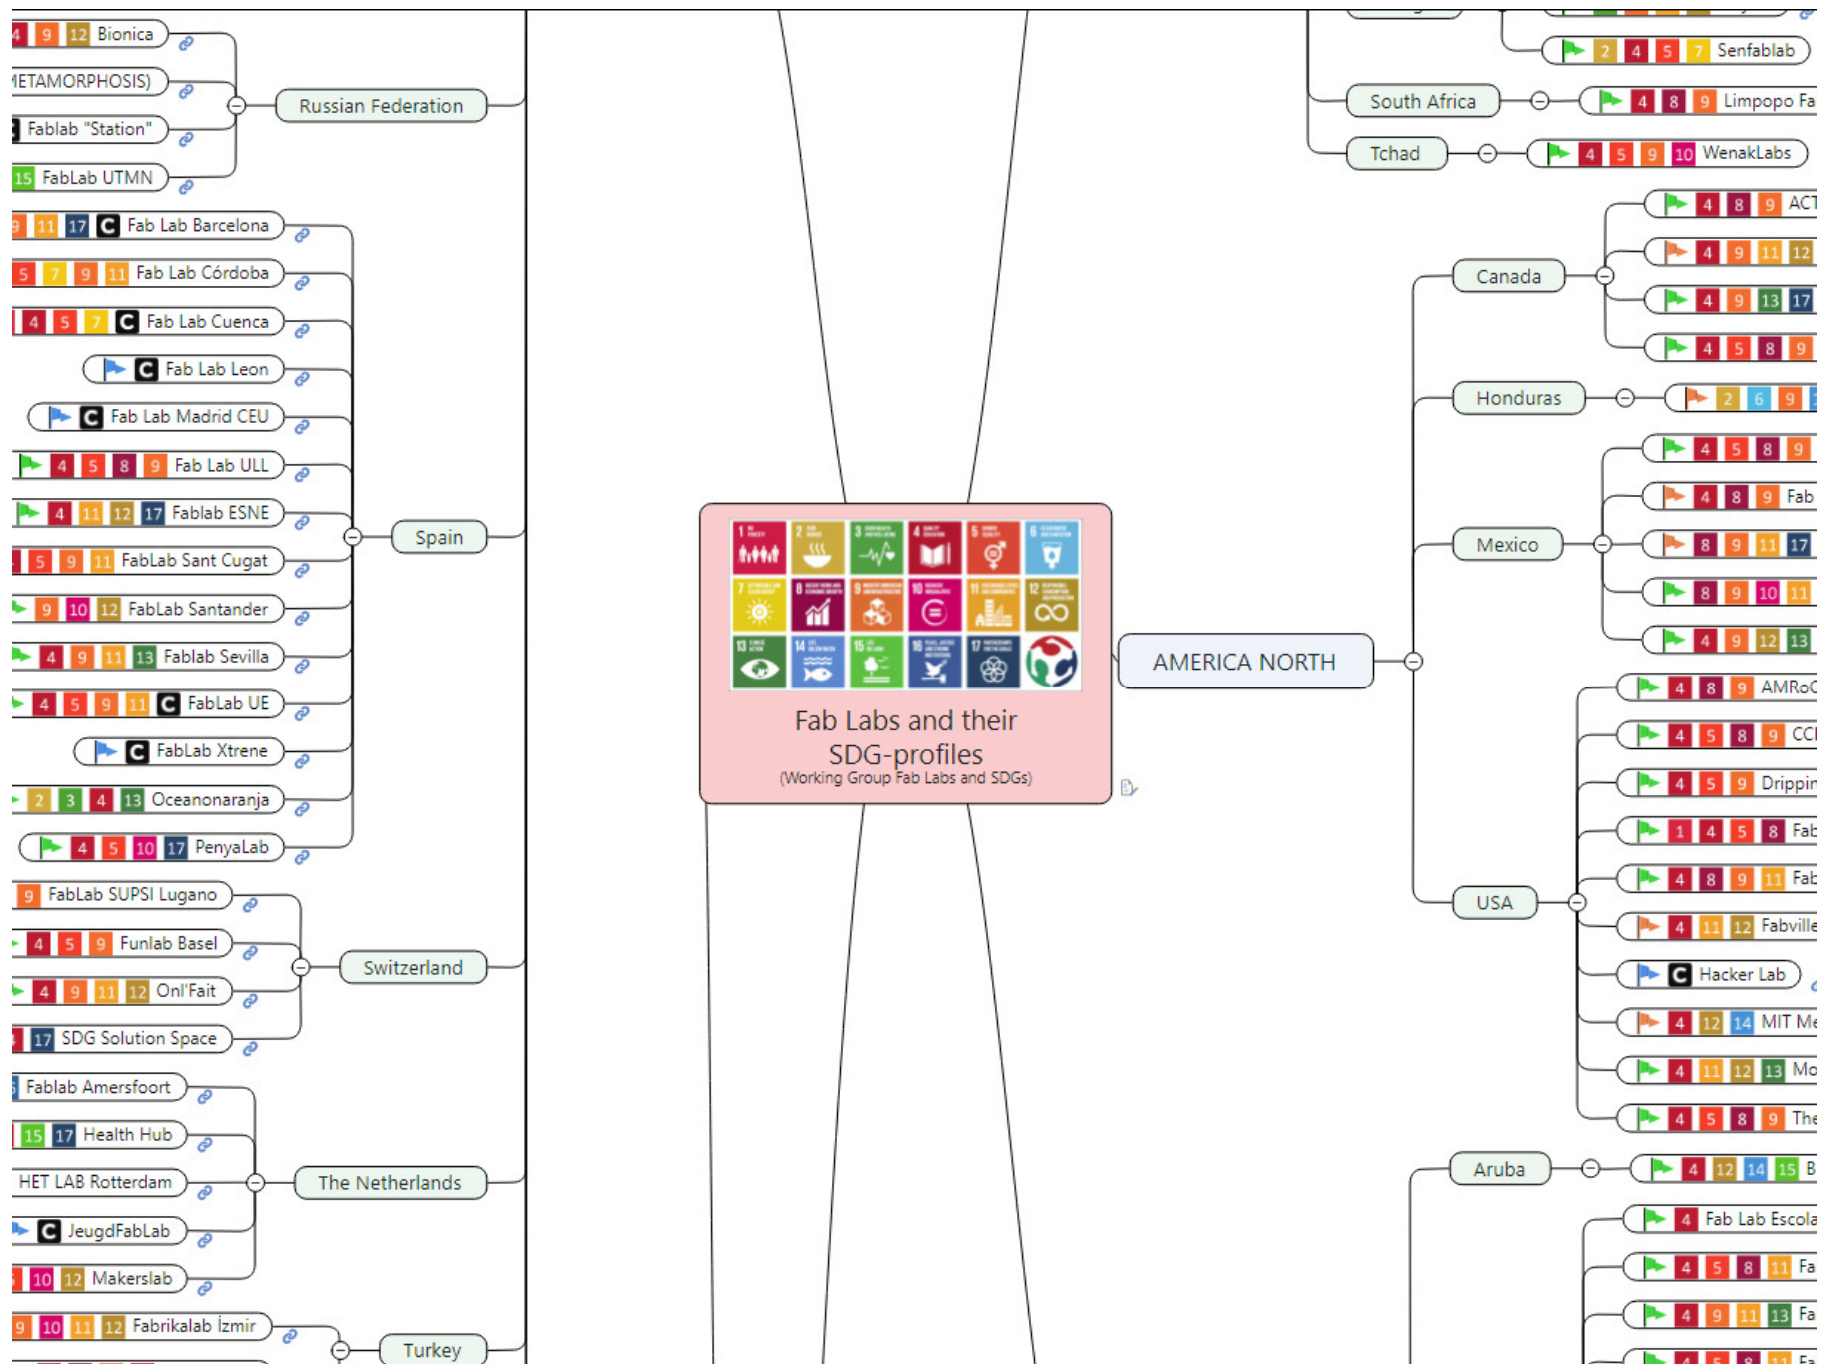

## **Fab labs / Makerspaces**

- (almost) worldwide network
- Focus on education, technology, environment and more
- Active at grassroots, city, regional and global level
- SDGs are frame-of-reference for fablab's social impact
- SDGs give fablabs outbound focus
- SDGs articulate social needs
- SDGs offer fablabs real world challenges
- Fablabs have knowledge, expertise, attitude to contribute

# Fablab SDG Profile

- A fablab's SDG profile
  - is a selection of 2-4 SDGs that best fits the external orientation of a specific fablab
  - is a mix of
    - interest, expertise and involvement of the fablab
    - needs, priorities and development vision from society

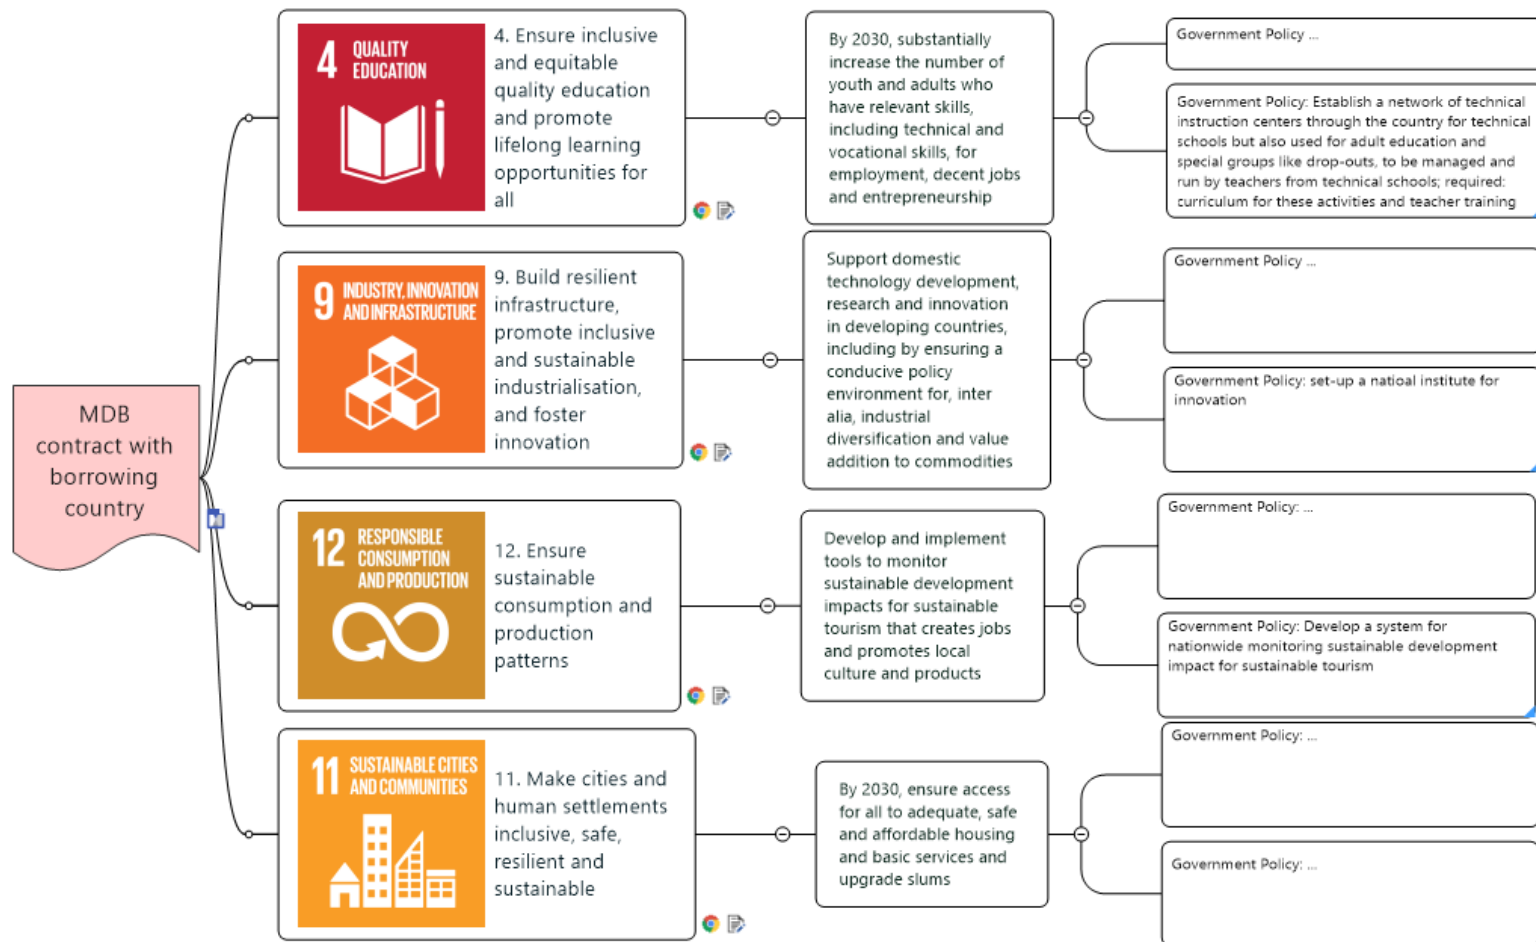

# Fab Labs and SDGs: The Next Round

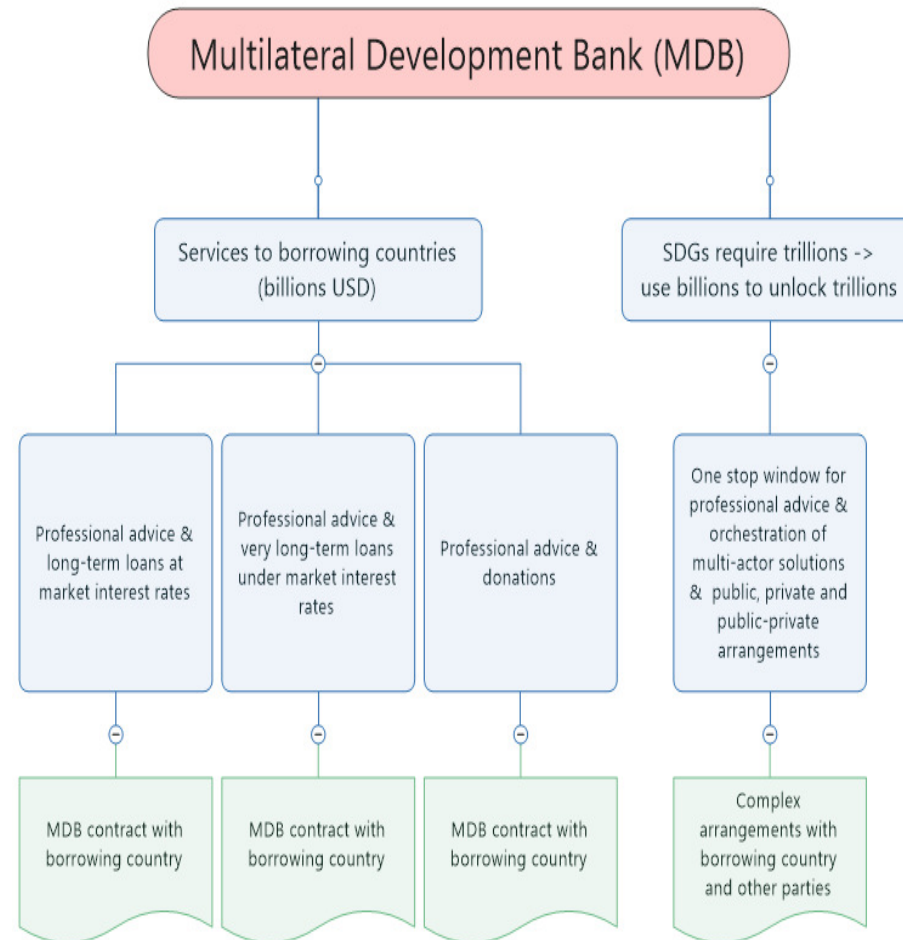

- Focus on our mission & learning path
- Move from pitching to helping
- Contribute to real-world challenges
- Learn to work with MDBs
- Stay collectively independent and survive!

# From SDGs to Projects

# The changing role of MDBs

We wish you an interesting and  
productive workshop!
